DON'T MISS THIS FALL'S GIVING CLUBS SHOWCASE

Caring Neighbors has a presence at every Giving Clubs Showcase. If you have never been to one, you should check it out on **Saturday, October 25 between 10 am and 2 pm at the Everglades Regional Recreation Center.** This free event is open to all Villages residents.

The Giving Clubs Showcase is a semi-annual event in The Villages, FL, that highlights various community clubs that focus on philanthropy and service to the community. The event is a way for Villagers to connect with these organizations and get involved in spreading kindness and giving back. This is a good opportunity to learn about other programs and services that are available in The Villages.

TLC Mental Health Professional News

Moving Through Grief, Oct 7 through Nov 11 (6 weeks), Tuesdays, 9:30 – 11:00 a.m. at Lake Miona Recreation Center. Presented by Judy Maloney, LMHC. When a loved one dies—whether a spouse, family member, or close friend—it can leave us feeling unmoored, isolated, or overwhelmed. Grief is deeply personal, yet being with others who understand can ease the burden and help us move gently toward healing. This group is appropriate if your loss was at least four months before October 7th. Please go to the website below to register.

Many resources are available at tlc-services.org, Events and Information. For videos, click "Visit us on YouTube".

Our professional services are provided free by volunteers. We appreciate your donations of any amount to help with the expenses of bringing our services to the community.
