CARING NEIGHBORS NEWS

BREAKING NEWS!

CARING NEIGHBORS HAS A NEW PRESIDENT, ELLEN BROEDLIN and A NEW VICE PRESIDENT, VICKY GIRAUD.

Ellen has been involved in the Caring Neighbors program since its inception. She has served as the Service Coordinator in the Village of Hadley and has been Vice President on the Executive Board for the past two years. At the end of every month, each Group is reminded to send their stats to Ellen so she can collate the totals for all Groups. Last year, Caring Neighbors doubled in size and Ellen was responsible for getting quite a few new Groups started.

Vicky has served as the Director of the Amelia Group. She volunteered to take over the Google Voice setups for each new Group and maintain all the records. Vicky is a trained Team Startup member and was responsible for getting several new groups up and running. During the past year, she has also shadowed and assisted Ellen with many of the duties of Vice President.

Caring Neighbors is in good hands and the transition of leadership should be pretty seamless. Many thanks to these two talented, dedicated women for their continuing service.
