CARING NEIGHBORS NEWS

ANNUAL WORKSHOPS

Workshops were recently held for all Directors and all Service Coordinators. A workshop is planned for all Assessors. What a great opportunity to network, share ideas and concerns with other leaders.

Because of the positive feedback, Ellen Broedlin, President, has indicated that these will be annual events inviting new and seasoned leaders to gather together to become better acquainted and to improve leadership skills. The Executive Board tries to support our leader-volunteers in every way possible.

MEET JANE BUCK

Jane from Maine, as she calls herself, was born and raised in Belfast, Maine, the third of four children. Her mother owned a yarn shop and Jane often worked there. Speaking of Moms, Jane is Mom to a son and daughter who both currently live in New Hampshire.

Jane graduated from Endicott College, just outside of Boston with a degree in Radio and TV Communications to pursue a career as a "Marketing Goddess." She was honored as a top recruiter of new customers throughout her varied career. She now plans to use her skills in Caring Neighbors by helping groups to recruit both new volunteers and new clients.

The Villages beckoned Jane and her friend, Mark, in 2023 and they settled into a beautiful home in the Village of Summerhill. Jane's mantra, "one voice to many" still applies as she begins this pilot initiative in the Caring Neighbors program. In the near future, Jane hopes to continue her passion by helping CN to create a consistent recruitment of new energy and new ideas. She plans to focus on the successes in the Summerhill Group. Directors can look forward to a possible encounter with this "Marketing Goddess" and we can all benefit from her experience.

Jane would love to hear from you by phone at 603-660-3555 or email at jane.buck@gmail.com.
