

## WILDWOOD SOUP KITCHEN PARTNERSHIP

The Wildwood Soup Kitchen is willing to provide lunch and dinner to any of our clients as long as one of our volunteers is willing to pick up the meals and deliver them to the client. Along with the meal, they offer fruit, vegetables and dessert.

Mark Middleton is the CN Volunteer who coordinates between our volunteers and the Wildwood Soup Kitchen. If you know of a client who could benefit, please get the program details from your Service Coordinator.

### MEET MARK MIDDLETON

Mark loves to volunteer. Before coming to The Villages from Cincinnati, he fed the homeless and coached his daughters' sports in Ohio. These days, Mark is a CN Volunteer, a backup Service Coordinator, and the Coordinator of the CN partnership with the Wildwood Soup Kitchen, as well as delivering food for them. He also volunteers at Our Mother's Attic Thrift Store and with the Shoebox program. In addition, he is helping with the AED placement program in his Village of Richmond.

He is married to Lisa, who works for The Villages Health. They have two adult daughters. Claire is an engineer in Illinois and Rose is an Air Force pilot in Delaware.

Mark also manages to fit some fun things into what spare time he has after volunteering. He enjoys golfing, pickleball and loves playing all kinds of card games including Samba, Five Crowns and Wizard.

### TLC Mental Health Professional News

The TLC Mental Health Professional Group has created a list of presentations available to any Caring Neighbors Group. Some of the topics include listening, helping people who live alone, helping those with memory issues, how our thoughts affect our behavior, the power of an apology, adjusting to retirement and many others. The contact information and the complete list of topics has been added to the Speaker's List which is posted on the CN Drive. Many of the topics can help our volunteers to help our neighbors. And some of the topics may be helpful to us personally.

If you see a topic you like, mention it to the person in your group who arranges speakers to let them know of your interest. These presentations are free and very informative.

If you have questions about any of the topics, please call Pat Hayes, TLC Services Director, at 352-322=0576 or email her at [pathayes@tlc-services.org](mailto:pathayes@tlc-services.org).
