Surprise!

“To say I was surprised is an understatement” escaped my lips more than once on Wednesday, July 16 when the Executive Board, CN Leaders and Volunteers gave me a super sendoff as your former President. Since I stepped down in April, I believed I quietly slipped out of the spotlight. Was I mistaken!

I was told the meeting was to start a new CN Group in Pennecamp. From the champagne toast, the wonderful food, the cake, the gifts and all of the friendly, familiar faces, I was blown away.

How this fantastic event was put together without me getting an inkling is slightly shy of a miracle. Well, all I can say is “you got me good.” I was shocked and honored and humbled by the outpouring of wishes, congratulations and thanks.

The thanks ultimately goes to each of you. You have all made me so proud to see so many good people who are ready and willing to help their neighbors. I never dreamed my little project would grow to such a wonderful organization. I wish I could hug each and every one of you. You are super people. Thank you for sharing my dream.
